DATA NOTICE

All data sourced from Butte County Assessor and Recorder public records (live, verified).

Assessed values reflect county tax rolls — market value may differ significantly.

Max bid thresholds are set at 70% of assessed value. Investor due diligence required.

Properties flagged [!] have incomplete address or owner data from public records.

WHAT'S IN THIS REPORT

- Score 51-99.9 for every property — based on delinquency age, lien exposure, and equity
- Minimum bid vs. assessed value vs. max safe bid threshold (70% of assessed)
- Full lien profile: open mortgages, abstracts of judgment, notices of default
- Owner name + entity type (Individual / Trust / LLC / Corp) with vesting confidence %
- Score rationale — what specific factors drove each property's ranking
- Data quality flags where county public records are incomplete
